

In an effort to do all we can to protect our clients, our team and our ability to deliver the hometown community banking to which you have become accustomed, our **lobby service will be available by appointment only until further notice.**

Thank you for your assistance and understanding during this time.

We are inviting you to use our drive thru, electronic banking options (including mobile banking, online banking and bill pay) and your complimentary access to the national network of ATMs.

Please call the following number during business hours - 618.233.6400 and we will be happy to discuss options for your banking needs that cannot be accommodated through the above platforms.

Please know that this decision was not taken lightly and that we will do everything in our power to continue to meet all of your banking needs. In addition to limiting lobby access to appointments only, we have implemented extra cleaning of our building, asked certain staff members to work remotely and are doing everything we can to minimize potential disruption in our service to you.

Stay healthy during these extraordinary times and THANK YOU.

Your Bank of Belleville Family
